The DIMMER VIEW

by Mar Goodwin

The Tax Bite Gets Bigger

If taxpayers do not revolt this year, it is probable that they never will.

With property taxes having reached the confiscatory stage, its surprisingly small rumbling that it brought from tax payers told lawmakers and taxing bodies that yet another straw can be heaped upon the back of the camel.

Taxes will be reduced only when taxpayers are able to make taxing bodies understand that they will rebel unless relief is given. The machinery is already set up — the dread ballot box is the mechanism — but taxpayers are so dispirited or disinterested, that they resist organizing for the purpose of saving their own property.

Tax money waste is so prevalent that the populace no longer makes an audible sound as the tax knife cuts deeper. Despair is the word.

It doesn't take a trained investigator to see where some of your hard-earned tax money is being tossed away. Not all of the waste affects your property tax, it should be admitted, but it is still tax money that comes from you.

Example: The Job Corp program in Nashville earlier this month was using your money to send Negro recipients to a "hate whites" school.

Example: We're giving foreign aid dollars to Nasser who continues to slander our nation before the world at every opportunity.

Example: Expenditure of millions of your tax dollars in Watts was topped earlier this week by the tax-spawned sponsors of a huge parade in Watts inviting the draft-evading Mohammad Ali to act as parade marshal.

Example: Welfare expenditures are growing in San Diego and a heavy share of the cost is borne by your property. No one denies that welfare chiseling is growing but nobody does anything about it.

Example. Your legislators and other lawmakers voted themselves whopping big raises while at the same time enlarging departments, commissions and agencies within their purview. These departments are to regiment you more and more and their costs of operation are added to your total tax bill.

No matter where you look, there is evidence of money being wasted in government. Money that you could use to pay your grocery bill, your doctor bill, or for something more than a spartan vacation to rest up from the year of labor you have just completed to help pay the wages of too many people in government.

If only one person in each community were to start a taxpayers action organization, you'd see every politician in the state running on a tax-cutting platform.

Sudden Thought: The County of San Diego operates 636 passenger vehicles. Many of them are used by your civil servants to transport themselves to their place of employment. Many of these vehicles may be seen in the evenings, on Saturdays, Sunday and holidays with family groups using them. These are your cars. The cars use your gasoline. Many civil service duties require the use of government vehicles. But in the evening? On week-ends? On holidays?

Try as hard as you may no one in county government will tell you specific policy on use of vehicles nor is it possible to get a list of those who use them. If enough people got angry about this self-made bonus to a public-funds job, the practice would be stopped — and taxpayers would save hundreds of thousands of dollars a year on this little caper alone.

Stadium Parking Fee: $2

The parking fee of $2 at the new stadium is outrageous.

We suspect that thinkers at City Hall in San Diego had the idea that the multi-million dollar investment for which San Diego property owners obligated themselves, could be retired sooner by making a killing in parking spaces.

This may be so — but the goose that layed the golden egg may be killed by trying to swallow its own product if it believes that a $2 a car parking fee is part of the product.

State Aid Causes Decrease In Grossmont Operating Tax

The Grossmont Union High School District Governing Board, at its meeting August 7, a final budget for 1967-68 in the amount of $13,760,005.

This figure reflects additional state funds in the amount of $509,000 permitting the Governing Board to establish an operating tax rate of $1.50 and to increase the undistributed reserve to $391,809.

This additional state money and the action taken by the Governing Board at this meeting resulted in an 11 cent reduction in the operating tax proposed in the publication budget adopted July 17, 1967.

The Governing Board received a status report from Superintendent John Warburton on campaign plans for the forthcoming six million dollar bond election scheduled for October 17, 1967, and appointed Al Marshall as General Bond Campaign Chairman.

In other action, the Governing Board adopted a resolution fixing compensation for bond election officers as follows: $19 for inspectors and $16 for judges; fixed the compensation for rental of polling places other than schools at $15.

The trustees authorized the District administration to make the award on portable classrooms for the Educationally Handicapped Program, with ratification by the Governing Board at the next regular meeting.

The Board approved engineering plans for the installation of lights in the Monte Vista Stadium; appointed Phil Lea as District project inspector; and appointed R. C. Dorland as structural engineer who will have responsibility for supervision of work, as required by the State Division of Architecture.

District Superintendent Warburton was appointed to act as represntative of the District on the La Mesa Recreation-Park Commission.

The District administration was directed to construct and submit to the Board a resolution, in conjunction with County Counsel, establishing the proper relationship with the El Capitan Boosters Club regarding the Club's proposal to build a stadium on the El Capitan High School campus.

The Governors approved a lease with Sheltered Workships, Inc., for provision of space for the education of Trainable Mentally Retarded students, ages 18 through 21 and renewed a leased at 5345 Timken Square, La Mesa, for three years, for the Vocational Nursing Training School.

A report was received from Mrs. Nita Halliburton and Mr. John Logsdon on the College Entrance Examination Board Advanced Placement Program which provides a workable way to strengthen American education. It was understood that the local school administrators and teachers be urged to investigate their honors programs for ways in which the Advanced Placement opportunity may be incorporated into them.

Mrs. Portia B. Good was appointed to act as District inspector in the construction of the four double portable classrooms being installed in the regular high schols to house increased enrollments

Parent, Child Course Planned

A Parent Education program will be offered this fall under the auspices of the Grossmont Adult School at the First Congregational Church, 2770 Glebe rd., Lemon Grove.

Beginning Tuesday, September 12, Pre-School Workshop classes will meet three times a week (Tuesday, Thursday and Friday) from 9 a.m. to 12 and from 12 to 3 p.m.

Youngsters three years and ten months to five years will attend three times a week. Mothers will be assigned to attend one meeting each week to work with some of the other mothers, all the children and the teacher. Mothers also attend one evening meeting each week (Mondays) from 7:30 at Grossmont School for lecture and dscussion.

Registration Deadline Set For Voting

Deadline for registration to be able to vote in the Grossmont Union High School District bond election, Oct. 17, will be Aug. 24, says Mrs. Helen Baker, deputy registrar of voters in Spring Valley.

For more information call Mrs. Baker at 466-2375. Her address is 1434 Janice st., Spring Valley, across Sweetwater rd. from Mt. Mguel High School.

VISITORS FROM LEMON GROVE: After making a cross-country trip by car, Miss Dorothy Lippold, left, and Miss Byrl Mathews, both of 3464 Sweetwater way, Lemon Grove, are welcomed by Rep. Lionel Van Deerlin, D-San Diego, in the Congressman's Washington office. Miss Lippold recalled that she had taught Van Deerlin's son, John, now 19, when he was a student at Roosevelt Junior High in San Diego.

Local Banker Aids Teen Post Program

Robert Dryden, manager of the Lemon Grove Branch of United States National Bank is among the group of leaders of "Teen Post", a program for getting young people off the streets and into constructive recreation in the San Diego County area.

Teen posts, a series of recreation halls in low income residential area of San Diego, was started this summer for youths between the ages 13 and 20. So far three posts are operating and a fourth will open in Linda Vista as soon as a location can be found. The three other locations are 3036 Imperial ave., 1810 Newton ave., and a post in San Ysidro.

The program is primarily voluntary, although some staff is provided by city and federal anti-poverty programs.

Lt. Kolender, San Diego Police Department, expressed a need for all types of equipment for the program. The Public Relations Department, third floor of the United States National Bank, downtown, San Diego, is being used as a collection center for any merchandise which the public wishes to donate to the local cause.

Robert Dryden

Among the items needed the most are pool tables and accessories, table tennis accessories and tables, playing cards, art and craft material, good young adult games, books, records, youth magazines, exercise equipmeat, and furniture to help complete the lounge facilities. Couches, easy chairs, tables and folding chairs are needed in this department.

Cash gifts are also being accepted by the program. The money will be pooled to purchase something worthwhile for the program.

The Teen Post program is also aiding in Archie Moore's ABC youth program. Children under the age of 13 will fit into the former light-heavyweight champion of the world's program.

S.V. Elementary, Junior High Registration Begins Aug. 29

Registration for children who will attend local elementary and junior high schools in the La Mesa-Spring Valley School District will begin Tuesday, August 29, according to Dr. David D. Pascoe, Associate Superintendent.

Classes will resume Monday, September 11, 1967.

Children attending local schools at the close of the semester in June need not re-register. Children who will be attending the District's schools for the first time in September must be registered. A child legally enrolled in a school outside the District may be properly admitted to school and placed in the proper grade upon registration and presentation of evidence of enrollment and grade placement in the former school of attendance Dr. Pascoe said.

In registering children for kindergarten, parents should bring proof of the child's birth date with them. The California State Education Code requires that a child "shall be four years and nine months of age on or before September 1st of the current school year" in order to enter kindergarten. In other words, he should be five years old on or before December 2, 1967. Minimum entering age for first-graders in the La Mesa-Spring Valley School District is five years and nine months.

A birth certificate, baptismal certificate duly attested passport, or affidavit from parent or guardian should be presented at the time of registration. Important health information such as dates of small pox, polio, and diphtheria inoculations should also be brought at that time. Both oral and Salk vaccines are acceptable inoculations for registration. Excluding those parents who have indicated they are adverse to the new polio law, polio inoculations are mandatory. If a child has not received inoculations before entering school, he will be given a two-week grace period in order to do so.

Following is a list of Spring Valley schools in the La Mesa-Spring Valley School District. If there is a question of what school is to be attended, information may be secured by calling the District Office, 469-3171, extension 33 or 34.

Spring Valley area elementary schools are: Avondale, 3401 Stransbury st. (563-9275); Bancroft, 8805 Tyler st. (460-4111); Casa de Oro, Agua Dulce and Romona (463-7721); Highlands, 3131 So. Barcelona (460-0353); Kempton, 710 Kempton st. (463-9225); La Presa, 519 La Presa st. (479-0110); Rancho, 8345 Nosline ave. (479-1153); Spring Valley Elem., 3485 Spring st. (466-4147); and Spring Valley Jr. Hi., 3990 Conrad dr., (469-0141).

Highway Patrol To Accept Applications For Job Exam

California Highway Patrol Lieutenant V. J. Herz, Acting Commander of the San Diego Area Office, said that September 23 has been set as the date for another State Traffic Officer examination as the Highway Patrol continues to expand its forces of uniformed officers.

"Those wishing to take this examination must have their applications on file by August 30," the Captain said.

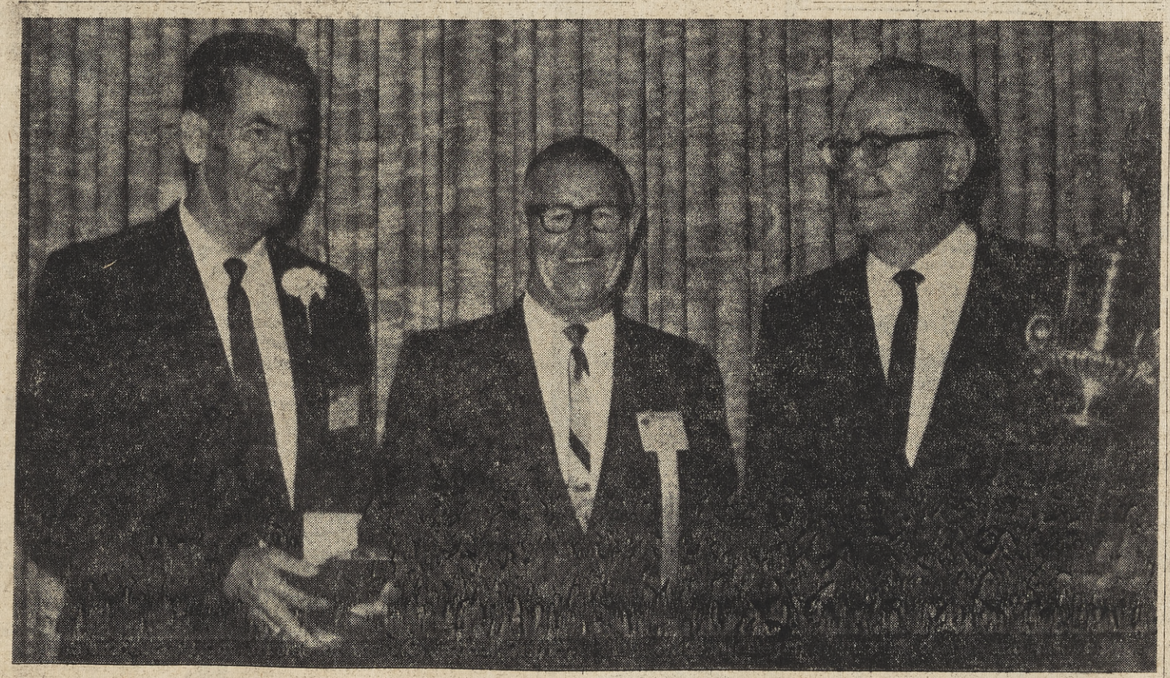

The local Captain explained that applicants must be between the ages of 21 and 31 inclusive, be in good health, stand at least five feet nine inches and not more than six feet six inches tall, and have at least a high school education.

Pay for a Traffic Officer on the California Highway Patrol now begins at $676 per month and increase in three annual steps tt $783 per month, the captain explained. Fringe benefits are generous, and opportunities for advancement are always open for the qualified.

Successful candidates, who have passed the written and oral examination along with the thorough background investigation, will undergo 16 weeks of training at the Highway Patrol's Academy in Sacramento, and draw full pay while they train, the local Captain said.

"But they have to take that first step. They must get their applications filed by the 30th of this month," the Captain concluded.

"The application blanks and other details an applicant might wish to have are as close as the nearest office of the California Highway Patrol. We will be most willing to assist him."

HONORED — Paul Reynolds, left, was presented with the California School Employees Association award for Office Employee of the Year earlier this month at a ceremony at the Biltmore Bowl in Los Angeles.
Lyle Stumbaugh, right, trustee of the L.G. School District, was awarded a perpetual trophy for Reynolds' award. Reynolds received a watch and a plaque. Center is Jesse Goodwin, SCEA president, who made the award.
The citation told that Reynolds, as assistant superintendent of business services for the L.G. School District, "has shown outstanding abilities as he constantly strives to improve the total school operation as education moves into new fields. His fellow classified employees find him considerate, concerned, helpful and understanding."
Reynolds serves as treasurer on the board of trustees of the Skyline Wesleyan Methodist church and also on the building commission. He is active in PTA, Music Parents Club, has held offices in the L.G. Kiwanis club, California Association of Public School Business Officials, and is presently a member of the County Planning Commission.
He is past president of his CSEA chapter.

Batchelder New Dean Of John Muir College

A Lemon Grove man who went through the grades in the L.G. School District has been appointed as college dean at John Muir College, University of California at San Diego. John Muir College is the former Camp Matthews at La Jolla.

The man is Alan Batchelder son of Mrs. Marian Batchelder 7212 Lawton dr., Lemon Grove.

Batchelder was graduated from Helix following his elementary training at Lemon Grove. He obtained his bachelor's degree in psychology at Simpson College, Indianola, Iowa and was associate dean of students at San Jose State.

He received his master's degree in educational psychology at Claremont College Graduate school and served four years as assistant dean at Pomona College.

The announcement of the new assignment was made by Chancellor John S. Galbraith, and Dean of Students George Murphy of University of California. Batchelder will have a student body of 2,500.

Mount Miguel Grad Weds Swedish Girl

It's Management vs. Customer At L.G. Church Daughters Sale

Surplus Goods Given to Needy Organizations

Mrs. Mel Wasco, chairman of the Catholic Daughters of America, Court Teresa of Avila 1580, rummage sale held last week at St. John of the Cross Church in Lemon Grove, reported proceeds amounting to $760 for the three-day aflast weekend.

"All the proceeds from the rummage sale go to the Seminarian Fund," explained Mrs. Wasco. "This is a program by which aid is given to boys intending to go to Seminary school."

All left-over merchandise not sold during the sale was distributed to various organizations including the Navy's Operation Hand-Clasp. Under this program, the Navy distributes merchandise to the needy people overseas.

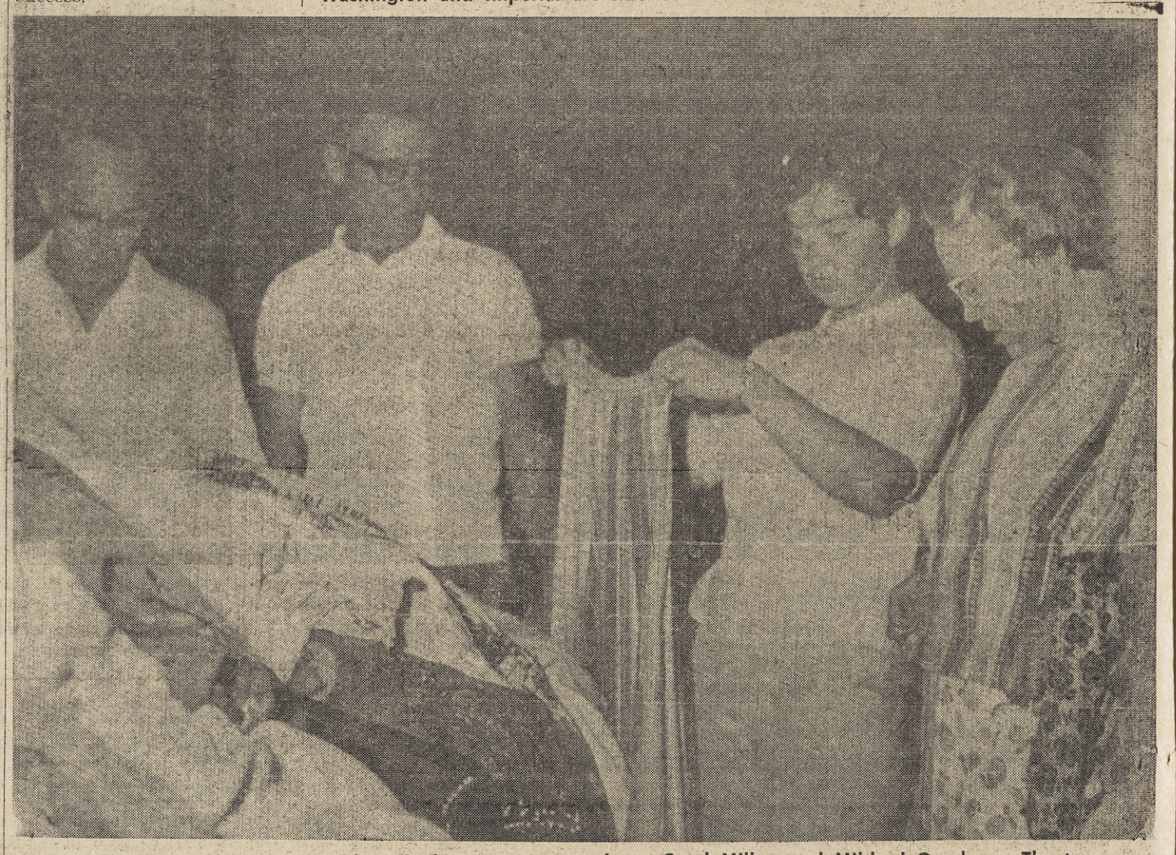

Various organizations in Mexico received some material, along with Goodwill and the St. Vincent de Paul fund in downtown, San Diego.

"We had another big rummage sale this year," accessed Mrs. Wasco. "We always have one of the biggest sales in the East County."

"I received plenty of help from other members of our organization," she added. "I term the sale a tremendous success."

THE MANAGEMENT: Three members of the staff running the rummage sale held last weekend at St. John of the Cross Hall at Washington and Imperial are Mrs. Arthur Meyer, helper, Mrs. Mel Wasco, Chairman, and Mrs. Frank Flattery, helper. The three are working in the jewelry department of the sale.

THE CUSTOMER: Lemon Grove residents looking over merchandise at the Catholic Daughters of America rummage sale at St. John of the Cross Hall are, from left to right, Frank Goodman, 1810 Eldora, Henry C. Miller, same address, Carol Miller, and Mildred Goodman. The two couples are browsing through the clothing department at the annual rummage sale.

This Sunday

"Anyone who claims to be" in the light and hates is brother is, in fact still in complete darkness. The man who loves his brother lives and grows in the light, and has no reason tostumble. But the man who hates his brother is shut off from the light and gropes his way in the dark without seeing where he is going. To move in the dark is to move blindfold." —I John 2-9-11 (Phillips).

The exhibition is sponsored by the Asiastic Arts Committee of the Fine Arts Society.

Service Clubs Join To Hear Herb Klein

A combined meeting of four El Cajon service clubs heard Herb Klein, editor of the San Diego Union discuss the world situation.

The meeting was at the El Cajon Elks Lodge.

Klein has been editor of the Union since 1959. He is a graduate of the University of Southern California as a journalism major. As a staff member of another Copley newspaper, the Alhambra Post-on's congressional campaign Advocate, he served as reporter and feature editor from 1940 to 1950.

During this time, he was assigned to cover Richard Nix in 1946.

Klein served as Nixon's press secretary during the 1948 congressional campaign, the 1952 and 1956 vice presidential campaigns, the 1960 presidential campaign, and the 1962 gubernatorial campaign.

This was the first meeting of this type with the service clubs, and will probably be an annual affair with each club eventually being the "host club."

SOFT TOUCH: Oliver (Louis McKay, Jr.) learns what it's like to have someone care for him in a scene from the musical comedy "Oliver!" which opened last Thursday at the Civic Theatre. The kindly lady is Mrs. Bedwin (Betsy Carter), housekeeper for Oliver's grandfather. The show, Starlight's second in a season of three, will also play tonight through Saturday night at 8:30 p.m. in the Civic Theatre.

'Carnival' Running At Circle Arts Now

"Carnival", one of the merriest musicals of the midway, opened at the Circle Arts Theatre, Tuesday for a two week run, starring Anna Maria Alberghetti, and Jerry Orbach and featuring Jonathan Lucas all re-creating their Broadway roles.

It will be offered Tuesday thru Saturday at 8:30 p.m., Sunday at 8 p.m. with matinees on Saturday and Sunday, at 2:30 p.m.

Children 16 years and younger, if accompanied by their parents, pay only $1 for any seat in the theatre.

Children will love "Carnival," with the clowns, puppets, dancing, lively music and all the atmosphere of a mid-way carnival.

For ticket reservations phone 279-2121.

Otay-La Presa Water District Lowers Taxes For Coming Year

Reflecting economy measures over the past year, budgets for the 1967-'68 operating year of both Otay and La Presa Water Districts will result in savings to taxpayers of the Districts. Final approval of the Otay budget was enacted by that District's Board of Directors when Improvement District tax rates were set at the regular Board meeting, August 14.

Otay's General Fund tax rate, previously set at a special meeting of the Board on Wednesday, August 9, will reduce the tax rate from 25 cents to a 15-cent tax rate for this coming year, which is a reduction of 40 percent. Tax rates in specific Improvement Districts, for the purpose of raising funds to meet General Bond retirement obligations, have also been substantially reduced. Even with bond retirement tax rate reductions in the Improvement Districts, Otay District officials pointed out, many fund reserves will actually increase resulting in healthy carry over credits into the 1968-'69 budget still over a year away.

Improvements involving the La Presa area are:

I.D. No. 2 — the area immediately East of La Presa. It is the most sparsely populated, as well as being one of the larger areas, served. As a result of these factors and a relatively heavy bond burden, the tax rate saving is a gratifying 10 cents. Increased development will further ease the individual taxpayer's costs in this Improvement District. I.D. No. 2 performs valuable operational and capital investment saving services of pumping and water transmission to I.D. No. 9 in the Jamul area.

I.D. No. 3 —the Northernmost area of the vast (almost 70,000 acres) Otay District is located North of I.D. No. 2 and Easterly from El Cajon.

This Improvement District encompasses some of the most desirable development areas of the entire San Diego County, including the famous Monte Vista Ranch, Hillsdale area, and is adjacent to the Cottonwood and Singing Hills Country Clubs. Tax rate in I.D. No. 3 will be reduced from 1.22 to .82 for a healthy 33⅓ percent reduction of 40 cents.

The La Presa County Water District, which is entirely encompassed within the boundaries of the Otay District, operates its own wholly owned water service. La Presa and Otay have recently remerged operational and administrative activities into a single entity of OTAY/LA PRESA WATER DISTRICTS. This has been done to more efficiently conduct the business and operations of both Districts.

However, as a legal entity La Presa, being within the boundaries of Otay, is subject to the General Fund taxes assessed by Otay. The La Presa budget, adopted in final form by the La Presa Board at its regular meeting on August 7 also reflects substantial tax savings. The 5-cent general fund tax of last year has been entirely eliminated.

This combined with the 10 cent saving in the new Otay general fund budget results in a La Presa District wide saving of 15 cents in the total current tax rates.

La Presa Improvement District budgets also show marked reductions. I.D. No. 1 for sewer development had a $ tax rate last year. The 1967-'68 budget rate of 1.45 is a saving of .55 cents or a reduction of slightly more than 27 percent. I.D. No. 2, which is co-terminous with I.D. No. 1, was formed for water facility development. The tax rate for I.D. No. 2 last year was 75 cents as compared with 41 cents for the current year. This results in a 34-cent reduction or a saving of almost 46 percent from last year.

La Presa I.D.s No. 3 (sewer) and No. 4 (water) will each carry the same rate of 50 cents as last year. These basically cover the Dictionary Hill area. District officials point out that anticipated developments, some currently underway, in the La Presa District areas will increase the assessed value with the resultant decrease of tax assessment on individual taxpayers.

Added to this year's water availability charges, which further spreads the revenue source and lessens tax demands, will be a sewer availability charge enacted by this year's session of the State legislature which will further ease tax demands.

Officials of both Otay and La Presa Water Districts voice enthused optimism that with the growth prospects and maturing status of both Districts, present and future tax requirements for existing Bonded indebtedness in both General Funds as well as specific Improvement Districts will tend to lessen as time passes.

S.V. Rec. District Adds Area

The Spring Valley Park and Recreation District gained some more territory for its operations this week when an annexation was approved for the Casa de Oro School attendance area.

Approval was given by the Local Agency Formation Commission. The Commission also gave approval to the annexation of a small part of the Spring Valley school area, which includes the Spring Valley Community Center on Memory lane.

The attendance area of Highland and Bancroft schools were added to the recreation district last month by the commission.

Burton P. Hodge, representing a citizens group in the Casa de Oro area, requested the inclusion of the 1,320-acre area in the recreation district according to Robert Small, commission executive officer.

The Spring Valley Chamber of Commerce was the driving force behind the addition of the smaller Spring Valley area, comprising about 124 acres.

With the commission approval, the door is now open for the County Board of Supervisors to initiate annexation proceedings with members of the Board having indicated that an election will be held.

Job Rate Topples Records

Employment in California last month topped all previous records, and unemployment declined about seasonally from June. This review of the July economic picture was released by the state departments of Industrial Relations and Employment.

At a high of 7,439,000, total civilian employment surpassed by 11,000 the previous record set in June and exceeded July a year ago by 200,000 jobs, or 2.8 percent, according to Albert C. Beeson, director of industrial relations.

Normally, seasonal cutbacks reduce total employment in July, Beeson noted, but the return of warehousemen following settlement of a trade dispute helped to reverse the pattern this year. Leading advances from June were in manufacturing, wholesale trade, and services. The gains scored in these and other industries more than offset contraction in public education at the close of the regular school year and in agriculture, which entered its mid-year lull.

The Dimmer View

(continued from page 1)

We know some other cities get it.

There have been those who have paid $5 to park near the Rose Parade route. But there is a difference. It doesn't cost anything to watch the parade. At San Diego Stadium the parker is going to get tapped for another $4—more or less— to watch the activity on the field.

This is not to suggest that few of the Chargers games will warrant such a charge but whatever they ask you to pay to watch the game is what you'll have to pay.

But a $2 charge for the privilege of parking to watch what may be a mediocre game is taking suckers to the cleaners on a fast train.

You can get into a drive-in movie for that. Not only can the evening be enjoyable but you can also see a movie, have a bag of popcorn, and watch the couples in the surrounding cars for the amount of the cost of parking alone at the new Stadium.

Did you know that the combination of parking fees and admission charge to see the Padres at Wesgate Park is less than the parking fee charge at the new stadium.

There will be a parking area set aside for $1—if you have good feet and a strong pair of legs.

Then there is a free deal for those who want to make the supreme sacrifice by using the emergency parking strip along Mission Valley Freeway. For the more wary there is free parking area at the Mission Valley shopping center.

Any way you look at it the spectator is the guy who's got to be satisfied.

There is little satisfaction in paying $2 for parking when 50c would be more in keeping with the value.

Dr. Shea Takes Over Dentists Presidency

A Lemon Grove dentist this week begins his first year as president of the Western Association of Hospital Dentists following formal organization of the group at a meeting attended by some 70 practitioners.

Dr. Peter E. Shea, who maintains his practice at 2275 Olive, headed the association's two-day inaugural session last weekend at the Islandia Hotel, where guidelines were established for operation of the group.

Dr. Shea, who serves as chief of the dental staff at County-University Hospital, said the organization was formed two months ago to promote increasing use of hospital dentistry by those qualified to practice it.

He said dentists are turning more and more to the use of hospital operative procedures to treat what he describes as the "dental cripple" and the "dental coward."

Dr. Shea said patients whose teeth are so bad that any delay in repairing them is costly, even dangerous, are being urged to seek hospital admission to permit the necessary work under general anesthesia.

As for "dental cowards," he describes these as patients we avoid going to the dentist because of a terrible fear of drills or needles and appear only when suffering with a tormenting toothache.

"But dentists," Dr. Shea adds, "are beginning to realize that most of these people are not going to change — that they are going to continue to dread the dentist's chair. For such people, hospital dentistry often is the answer."

In addition to formal organizational sessions, delegates also heard an address by San Diego dentist Dr. Carlton H. Williams, who is speaker of the House of Delegates of the American Dental Association.

Grossmont Student To Edit Publication

Appointment of a new editor and business manager of "The Classroom Teacher," publication of the San Diego Federation of Teachers, Local 1278, AFL-CIO, was announced by Robert W. Holden, local president.

Holden said D. D. Miller, a free lance writer and public relations consultant, has assumed the duties of editing the newspaper. "The Classroom Teacher" is published monthly during the school year and mailed to all public school teachers and officials in San Diego County.

Miller, a former newspaper reporter, is a resident of La Mesa and attends Grossmont College. He succeeds Marion McAnear as editor. McAnear, a teacher and AFT member, held the position for two years on a voluntary part-time basis.

Area Doctors Converse At Heart Assn. Meeting

More than 150 physicians will attend a two-day "teach in" on cardiovascular diseases here next month, according to Dr. William J. Kuzma, president of the Heart Association.

Co-sponsored by the San Diego Academy of General Practice and the San Diego Society of Internal Medicine, it is the Heart Association's 17th Annual Professional Symposium.

Sessions in the Hanalei Hotel will be held Friday and Saturday, Sept. 29 and 30.

Local physicians will have a concentrated 12 hours with five of the nation's foremost teacher-scientists in the field of heart and circulatory diseases, according to Dr. James E. Lasry, Heart Association chairman of professional education.

"The consistently increasing early registrations demonstrate that our physicians continually seek to improve the quality and scope of their knowledge," Dr. Lasry said. "The hours away from their practice to attend symposia represent a big investment in their continuing education for better service to patients."

Irving Lasky

Dr. Irving I. Lasky will speak at noon Friday on "Driver-Incurred Cardiac Injuries.' Dr. Lasky is assoiae eeratsr chc Lasky is associate research diplomate and Vehicle Trauma Research and is association clinical professor of medicine at UCLA.

Shock and injury in relation to the cardiovascular system will be discussed by some faculty members. Others will talk on "Exercise Problems in Middle-Aged Men," "Prevention of Rheumatic Fever? Rheumatic Heart Disease," "Hypertension: The Dynamics of Theraphy," "Long Term Coronary Prevention" and other topics.

Dr. Lasry listed the following faculty members:

Dr. Jeremiah Stamler, director, division of Adult Health and Aging, and director, Heart Disease Control Program, Chicago Board of Health.

Dr. Lawrence E. Lamb, principal investigator and professor of medicine, Baylor University; Chief of Aerospace Medical Science Division, USAF School of Aerospace Medicine, 1962-66.

Dr. John H. Moyer III, chairman, department of medicine, Hahnemann Medical College and Hospital, Philadelphia.

Dent Breakfast Draws 50 Guests

More than fifty people attended a breakfast for Supervisor Bob Dent Tuesday at the Three Lil Bears restaurant.

It was the official welcome affair given to acquaint local residents with the new supervisor of the district. The breakfast was sponsored by the Chambers of Commerce of Lemon Grove and Spring Valley.

Dent told the audience that he would soon establish an office each in Lemon Grove and Spring Valley where he would meet with residents concerning district problems.

He also explained the operation of the Spring Valley Recreation District which is ready for expansion to more Spring Valley-Casa de Oro areas.

The Spring Valley chamber presented Dent with a cake which was a replica of the Bancroft House on CoC property. The Lemon Grove chamber gave him a 20 pound lemon— which was a watermelon in disguise.

S.V. Historical Group Sets Picnic

The Spring Valley Historical Society will be celebrating the "Ownership" of the old adobe (Bancroft Ranch House) and grounds, at a picnic, scheduled for Sunday. The event will be held at the adobe, beginning at 12:45 p.m. Persons planning to participate are urged to bring their own picnic lunch. Lemonade, coffee and entertainment will be provided.

A HELPING HAND: Cajon Speedway competitor Al Goldstein of Lemon Grove in his super stock Dodge gets a helping hand in readying his car for competition last week at Cajon Speedway. Goldstein races in car number 48.

Spring Valley Woman In Speedway Battle

1965 Champion Russ Bullen of San Diego and second place point leader Vance Butler closed up the point gap last week with a one, two finish, while top dog, Tex Kimbrell of Imperial Beach lost a wheel in the wall.

Bullen, who made his move last year at this time with seven wins in eight races has only two on the year, but proved last week he is ready to challenge.

Kimbrell, Butler of La Cresta and Bucky Peralta of El Cajon all boast over 3,000 points. Bullen adding 324 with his win misses the mark by only 20 points and is running hot.

Carl Adams of El Cajon pushing for the big purses of the last few weeks will challenge the leaders for the green. Over $4,000.00 in prize money has been up for grabs in the last month and a half super stock car action. This prompted the $3,000.00 guaranteed purse for the Saturday nigh Labor Day weekend open competition race of the year, on September 2nd. And the firs C.R.A. Sprint car race ever held in San Diego on Septem ber 3rd with a $2,000.00 posted purse.

Special attraction in this week's program will be the 3.h Powder Puff race of the year with past winners Jerry Kallos, and Jery Collins of San Diego, Mary Ann Klein, Spring Valrley and Diane Porter (2) of Paradise Hills.

Three Local Gridders Don County Pads For Annual Breitbard Football Classic

Three local gridders will do football uniforms next Wednesday night to play for the County in the 19th Annual San Diego College Prep Football game at Balboa Stadium starting at 8 p.m.

Two Monte Vista greats from last season Rick Aylward and John Daley, along with Mt. Miguel's speedy halfback Frank Gilbert, will be the local players in the City County clash.

County all-stars are being coached by Warren Vinton of Helix this season, while the opposition will be under the direction of Pt. Loma mentor Bennie Edens.

The event is sponsored by the Breitbard Athletic Foundation for the benefit of the San Diego Children's Dental Health Center. Reserved seats are priced at $3 and general admission seats are $1.50.

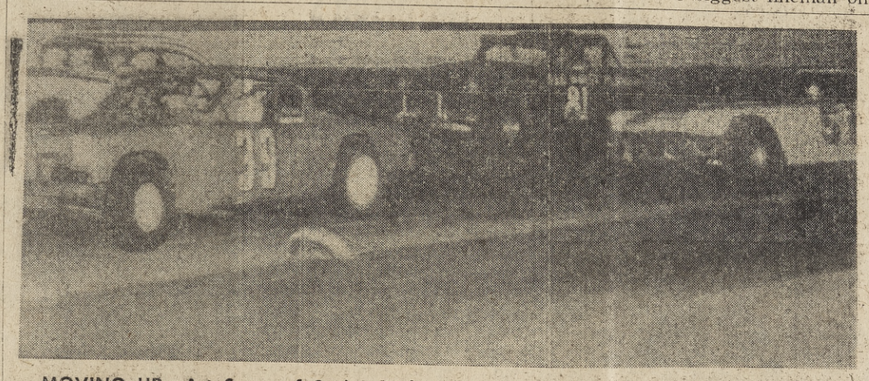

Tickets may be purchased the night of the game at Balboa Stadium or in advance from members of local San Diego Kiwanis Clubs, the Children's Dental Health Center, the Hall of Champions in Balboa Park, and at all Higgins and Crosthwaite Sporting Goods Stores, and Stanley Andrews Sports Goods stores.

Coach Vinton is currently preparing the County squad in practice sessions at Turner Field, Naval Training Center. Both teams reported to their training sites Monday for two a-day drills. They are being housed at the military base.

Alyward is a 5-11, 155 lb. split end-halfback who was tabbed the team's Most Valuable Player at Monte Vista last season. He was also named first team Grossmont League split end and second team defensive back, while hauling in 42 passes for 604 yards and seven touchdowns. He was also a two-year varsity basketball letterman and three-year varsity baseball letterman, gaining honorable mention in both sports.

Monte Vista's Daley at 220 lbs. is the biggest lineman on the county roster. The three-year letterman in football and wrestling was named first team All-Grossmont League offensive tackle and second team All CIF.

Mt. Miguel's Gilbert is the smallest man on the field at 5-9, 155 lbs., but he made plenty of noise for the Matadors in their last football season. Gilbert romped to 14 touchdowns, gaining 834 yards on the ground and picking up 367 more through the air. He was tabbed football player of the year at the Spring Valley school and also athlete of the year. He was first team All Grossmont league halfback and third team All-CIF.

MOVING UP: Art Snarr of Spring Valley in car number 81 moves up on the outside in an attempt to catch Leo Jacquot of Chula Vista in car 39. Number 51 is John Hutchinson of La Mesa trying to save ground on the inside. Action took place at Cajon Speedway in El Cajon last week. Mary Ann Klein of Spring Valley will compete in the Powder Puff Derby this weekend at the oval.

Heralded Trojan Coach McKay To Analyze So. Cal. Chances

Troy's prospects for the coming football season will be discussed by John McKay, popular coach for the past seven years at the University of Southern California, at a dinner Monday night at Hanalei Hotel, Mission Valley, it was announced by Richard C. Peck, general chairman. Dinner will be served at 7:30 with a social hour at 6:30.

The annual San Diego kickoff dinner is sponsored by the San Diego Trojan Alumni Club. Peck said Trojan alumni and friends of Troy from San Diego and Imperial Counties are invited.

In the John McKay era of USC football the Trojans not only have been consistent winners, they have been entertaining ones. And McKay as an after dinner speaker is hardly less entertaining than his gridiron charges.

Since the gregarious McKay took over in 1960, attendance has soared so significantly for Trojan games that it is obvious there must be some correlation. Season ticket sales in 1966 were almost 13,000 higher than they were in his first seasons. The Trojans last season played to an average of 60,000 fans a game.

USC's success between goalposts has been as important a factor as the ingenuity of McKay's attack. During his seven seasons, Troy has posted an over-all record of 47 wins, 23 losses, and two ties. Since the national-championship 1962 season, the Trojans have won 39, lost just 12, and tied one for a win percentage of .765. He has led them to the Rose Bowl twice.

Under McKay the Trojans have won or tied for three AAWU titles in the last five years. In seven conference seasons his terms never have finished lower than second. His cumulative league record is 23-6-1. Against UCLA, Stanford, and California he is 18-3.

A 1950 graduate of the University of Oregon, McKay capped a brilliant college career by leading the 1948 Webfoots in scoring and sparking their march to the Cotton Bowl. Immediately following graduation, McKay began his coaching career as an assistant to Jim Aiken at his alma mater. In 1959, McKay joined the USC coaching staff as backfield coach under Don Clark. Although a member of the staff for less than a year, he was a popular choice to replace Clark in December, 1959, thus becoming the 16th head football coach in USC history. McKay was named U. S. Coach of the Year following the Trojan's undisputed national championship in 1962, the school's first perfect campaign in 30 years.

The USC mentor is married to the former Nancy Hunter, whom he met at Oregon. With their four children they reside in West Covina.

Reservations for the San Diego kickoff dinner may be made with Lee Conti, reservations chairman, at P. O. Box 94, San Diego.

Matador Trio At Monumental Ring Sunday

TIJUANA — A trio of proven Mexican matadors will match their skills Sunday at Plaza Monumental, the Bullring By-the-Sea.

Jaime Rangel, Juan Silveti and Emilio Rodriguez will be featured artists in a 4 p.m. corrida at the third largest arena for bullfighting in the world.

Rangel, one of the younger stars from south of the border, turned in a courageous performance against tough bulls during his last fight here on July 16.

Pitted against Manolo Martinez, currently Mexico's top name in bullfighting, Rangel dominated dangerous bulls to earn a turn around the ring and cheers from the crowd.

Silveti, regarded as one of his country's most classic stylist, ghained considerable popularity in Spain for his strict, traditional approach to his art.

Rodriguez, making his first appearance in two years, is a daring fighter who is likely to take chances. He received a serious horn wound two years ago in Tijuana, but came back later in the season to win top honors.

The trio will face six bulls from a top Mexican breeding ranch.

Eight More Circus Shows Slated Here

Production of the world's largest circus spectacle, Ringling Bros. and Barnum & Bailey Circus, continues today through Sunday with eight more performances in the San Diego International Sports Arena.

This is the first year San Diego residents have been able to see the circus in the arena, which promises every member of the audience a perfect view from any seat.

This year's lavish show, which opened Tuesday, features 25 exciting new acts from Europe, making their debut with the largest circus in the world, now in its 97th and biggest year.

Performances are today through Saturday at 2 p.m. and 8 p.m. and two performance on the closing day, Sunday, at 1 p.m. and 6 p.m.

Military personnel, children 14 and under and groups may receive a $1 discount on the $3 and $4 seats for matinees Tuesday through Friday and evening performances Tuesday, Wednesday, Thursday and Sunday.

Bus System Set For Charger Football Games

Football fans attending Charger games can ride from any point on the bus system to the new San Diego Stadium for a fifty-cent fare, according to Tom Prior, general manager of the bus system.

The special 50-cent fare applies to all points on the system, Prior said, including surrounding communities of La Jolla, El Cajon, La Mesa, Lemon Grove, National iCty, Chula Vista and Coronado as well as points within the City of San Diego.

"Riders will be picked up on regular route points," Prior said, "and the buses will discharge passengers right at the man entrance to the new stadium in Mission Valley. This will provide the easiest, cheapest means of transportation to and from the Charger football games."

Stadium special buses will leave at 11:30 a.m., 12 noon, 12.30 p.m., 12:40 p.m. and 1 p.m. (night games: 6:30, 7:00, 7:20 and 7:40 p.m.) for direct routes to the stadium from the County Administration Center (formerly Civic Center) south parking lot at Pacific Hwy. and Ash st., Route 8 (non-stop), College Grove Shopping Center parking lot at College ave. and Hwy 94 Route C (non stop), Downtown Plaza Route D (pick-up bus for transfer points) and South Clairemont Quad Route 5 (non-stop.

"I Didn't Raise My Son To Be A . . ."

After Ron Blomberg signed an estimated $75,000 bonus contract as the Yankees' No. 1 choice in the free-agent draft, SPORT Magazine quoted his mother as commenting:

"I knew he wasn't going to become a doctor, lawyer or accountant. So he might as well become a ballplayer."

Attend Day Camp

Girl Scouts Dominate Scene at Lemon Grove Park

Male bicycle motorists don't panic. If you see various groups of young girls in funny hats sitting Indian-style and holding pow-wows on the grass at Lemon Grove Park on Washington street, don't worry. They're not planning the overthrow of the bicycle set.

They are merely discussing what types of activities they are going to engage in during the Lemon Grove Girl Scout Day Camp. The camp began August 8 and ends tomorrow.

The local girls are attending the first day camp in the area in 12 years, from 10 a.m. to 3 p.m. Tuesday through Friday. They are under the supervision of a staff composed of volunteer adult Girl Scouts. Heading the leaders are Mrs. Beverly Ehlers, director of the Lemon Grove Day Camp and assistant Mrs. Howard Townsend, a Spring Valley neighborhood chairman.

The camp is sanctioned by the San Diego-Imperial Council, Inc., Girl Scouts of America and includes Girl Scouts from the Lemon Grove, Spring Valley, and Encanto areas.

The local camp encompasses the age brackets of 7 to 17 with the girls divided into three age groups; Brownies, Juniors, and Cadets. Also attending the camp are the 'small fry', the children of the staff.

The girls have embarked on many different adventures during their stay at the Lemon Grove park. Included among the activities are hikes, day trials, crafts, singing chorals, and sports.

"The girls are given practice in following trails," explained Mrs. Ehlers, who is also district advisor to the Girl Scouts in San Diego. "We also take numerous hikes in the area."

"Crafts take up a major portion of the time at the camp," continued Mrs. Ehlers. "Two things the girls are in the process of making are purses and paper cutouts to put on their hats."

All girls at the camp are required to wear hats for protection against the sun. The girls are also competing for the best hat decoration.

The camp day begins at 10 a.m. with the raising of the flag and the Pledge of Allegience. The girls then procede to split up into their units. Each unit is comprised of eight or nine girls, with an adult head to guide the youngsters in their daily activities. Each unit has its own name and all the girls have specific names in their units. An example of the names given the girls and their adult leaders would be Winnie the Poo, Smokie, or Yogi Bear.

The adult leaders in the units assemble their girls and explain to them the different jobs they will be required to do during the day. One girl will be in charge of the water, another will be on the clean-up detail, and so forth.

Following their instructions, the girls, themselves, break up into groups and decide democratically some of the activities they would like to perform during the day. Each group has its own girl leader.

Most of the groups have a cook-out or partial cook-out during the day. The Brownies, being the youngest of the age brackets, are not allowed to start a fire and cook on it.

The Juniors and Cadets were scheduled to hold a campout at Lower Otay Tuesday and today. The Brownies were not included in this activity because of age.

"We didn't feel the Brownies were old enough for the campout," explained Mrs. Ehlers, who has only been in the Girl Scout program since May of this year.

So, don't worry boys. Things will be back to normal this weekend and you can have the park back for tackle football and bicycle drag-racing.

RAISING THE COLORS: Local girls stand at attention as the U.S. and California flags are hoisted during ceremonies which open each day at the Lemon Grove Girl Scout Camp. The flag-raising opens the day's activities at 10 a.m. The girls then break up into their various units and begin the day's program.

ABLE ASSISTANCE: Camp Director Mrs. Beverly Ehlers, center, illustrates the proper way to cut paper for the making of figures for decoration. On her left is Carrie Splinter and on the right is Darlene Dietrich. The girls are attending the Lemon Grove Girl Scout Day Camp at Lemon Grove Park.

Mexican money is issued in basic denominations of "un peso" (one peso), "cinco pesos' (five pesos), "dieze pesos" (ten pesos), and "veinte pesos" (twenty pesos). Bills are also issued in "cencuenta pesos" (fifty pesos), "cien pesos" (one hundred pesos, and "quinientos pesos" (five hundred pesos).

The "un peso" (one peso) is issued in paper form and in coin. The value of "un peso" is eight cents in United States currency. The value of "cinco pesos" is forty cents, and the value of "diez pesos is eighty cents in U. S. currency. Twelve and a half pesos is equivalent to one United States dollar.

Purchasing power of the "peso" has a wide range. A "boliada) (shoeshine) cost "un peso." An "estampilla de correo aereo" (air mail stamp) sells for "un peso." The "pesero" (one peso taxi) will take one of its five passengers to the center of town for "un peso."

A malted milk shake, "una malteada," will cost "cinco pesos" and a North American "hamburgeasa" (hamburger) will cost about the same.

The shocker for most visitors to Mexico is the first moderate dinner bill for four. The waiter presents the bill, "la cuenta," which may read $100.00 pesos or more. What a relief to know that one hundred pesos is equivalent to eight dollars.

Practice some of these phrases which use several Mexican monetary denominations.

Grove Man Contributes To Midway Battle Book

L. Arthur Wingo, of 1820 Colfax dr., Lemon Grove, is among the veterans of the World War II Battle of Midway who contributed his reminiscences to a new book.

The book, "Incredible Victory" by Walter Lord is a minute-by-minute account of the history-making battle. The local man, a veteran of the fighting, supplied author Lord with information about what he was doing in Japan, 1942, when the outclassed American fleet defeated a superior Japanese force.

The book, which was just released to bookstores throughout the country, will be published in England later this year.

A small portion of it has appeared in Look Magazine.

In addition to his research in this area, Mr. Lord estimates that he traveled more than 30,000 miles. He not only corresponded with veterans of the battle, but interviewed many of them in person both in this country and Japtn.

He also relied on hundreds of official reports in the Navy archives, plus countless books, articles and magazine stories.

Lord is also the author of the best-selling account of the sinking of the Titanic, "A Night to Remember," and a book about Pearl Harbor, "Day of Infamy."

Teen-Aide Group Given Recognition

Certificates of recognition were presented Wednesday afternoon to Red Cross Teen-Aide volunteers who participated in this summer's San Diego City School's Head Start program, at Red Cross headquarters.

J. M. Gillean, San Diego County Red Cross Chapter chairman, announced that those participating in the ceremony recognizing the 120 youth volunteers were Conrad Wagner, City School's director of the program designed to help pre-kindergartens adjust to school; Miss Louise Weller, colchairman of the chapter's Red Cross Youth Advisory Committee; and Emil Lewis, Western Area Red Cross regional manager.

A number of the young junior and senior high school Teen-Aides were on the program. Roger Dickson, a member of the chapter's Red Cross Youth High School Council, led the pledge of allegiance to the flag; Candice Jones, Joe Horning and Mike Mitchell gave their impressions of the work accomplished in the Head Start classrooms where they served. Dianne Bowdish illustrated storytelling as it is carried out in the program.

This summer's Head Start program in the City Schools has been in operation since July 5 and will close August 18. During this period the Teen-Aide volunteers served an average of 800 hours each week.

Red Cross Teen-Aides are also participating in Head Start programs n the Chula Vista, South Bay and La Mesa-Spring Valley areas. Recognition for these Teen-Aides will take place at the respective schools where they served.

Social Sec. Office Gets Varied Calls

An interesting variety of phone calls are received daily in the El Cajon Social Security Office according to Sumio Oto, District Manager.

Take, for example, the timid voiced lady who called during the first of the month heavy phone traffic. She advised an employee that she was receiving $35 a month from Social Security and wanted to know who we would recommend as a reliable plumber. She voiced her opinion that very few people could be trusted these days and felt that the Government should know who to call.

The employee referred her to the firendly yellow pages of the phone directory and then to the Better Business Bureau. With a thank you, and confident that she had taken the correct course of action, the lady concluded her call.

"This is typical of the variety of inquiries the office answers as a public service as well as those pertaining to social security matters," Oto said.

Yes, work in the Social Security Office can be interesting.

Valley Kiwanians Given Health Talk

The Spring Valley Kiwanis Club held its weekly breakfast-meeting Aug. 9 at Alfonso's Pizza Inn, Grand ave., Spring Valley. Guest speaker was Hal Lenox of Lemon Grove, an employee of the Telephone Co., who talked and showed a film on artificial respiration.

He said his talks on the subject are to encourage life-saving techniques among the citizens of the various communities. He pointed out that there are four major ways by which a person may suffocate: by a blow on the head; by drowning or covered with earth; by the shutting off of a person's air; and by carbon monoride. He showed a movie, titled, "The Breath of Iife," showing the art of mouth-to-mouth respiration, and how it is being taught in the schools, even in the lower classes.

Lenox also demonstrated with drawings, the history of artificial respiration (over the past six or seven centuries) and how it has brought us to the present day mouth-to-mouth technique. One of his which he demonstrated the "props" was a girl dummy, by mouth-to-mouth method.

Deddeh Keeps Office Open During Recess

While others may be enjoying summer vacations in the San Diego sun, Assemblyman Wadie Deddeh, 77th District (D-Chula Vista- will be spending the August recess in the district office.

"The passage of proposition 1A last November provided for a full-time legislature", Assemblyman Dedeh stated, "I intend to follow the wishes of the voters and plan on being in the district office full-time during the recess" Deddeh said.

The former college instructor further stated that citzens of the 77th District could call the office for an appointment. The telephone number is 427-7077. Citizens in the La Mesa, Lemon Grove, Spring Valley area may also call the above number for an appointment to meet in the La Mesa office.

LEGAL NOTICES

RESOLUTION 67-8
RESOLUTION OF THE BOARD OF DIRECTORS OF THE SPRING VALLEY FIRE PROTECTION DISTRICT OF THE COUNTY OF SAN DIEGO INITIATING THE ADOPTION OF THE UNIFORM FIRE CODE FIXING DATE, TIME AND PLACE OF PUBLIC HEARING.

Notice of public hearing to adopt an ordinance prescribing regulations governing conditions hazardous to life and property from fire and explosion and establishing a bureau of fire prevention and providing officers therefor and defining their powers and duties by the Spring Valley Fire Protection District.

1. Said public hearing shall be held on the 14th day of Sept., 1967 at the hour of 8:00 p.m. or as soon thereafter as can be heard.
2. Copies of said primary code and secondary codes if any being considered for adoption are now on file with the secretary of said district located at 905 Gillespie Drive, Spring Valley, California and are open to public inspection between the hours of 8:00 a.m. and 4:30 p.m. daily.

3a. The general purpose of the proposed ordinance of the primary code or secondary codes if any are generally as follows:

1. It is the purpose and intent of this code to provide regulations, consistent with nationally recognized standard practice, safeguarding life, health, property and public welfare to a reasonable degree from the hazards of fire and explosion arising from the storage, use and handling of dangerous and hazardous materials, substances and devices, the operation, installation, construction, location, safeguarding and maintenance of adequate means of egrees not provided for by the Building Code.
2. Where no specific standards or requirements are set forth in this code, or contained within other applicable laws or ordinances, compliance with the standards of the American Insurance Association or other nationally recognized fire safety standards as are approved by the Chief shall be deemed as prima facie evidence of compliance with this intent.

3b. Penalties.

a. Any person who shall violate any provision of this code and ordinance hereby adopted or fail to comply therewith, or who shall violate or fail to comply with any order made thereunder, or who shall build in violation of any detailed statement of specifications or plans submitted and approved thereunder, or any certificate or permit issued thereunder, and from which no appeal has been taken, or who shall fail to comply with such order as affirmed or modified by the Board of Directors or by a court of competent jurisdiction, within the time fixed herein, shall severally for each and every such violation and non-compliance respectively, be guilty of a misdemeanor, punishable by a fine of not less than $25.00 nor more than $500.00 or by imprisonment for not less than 10 days nor more than 180 days or by both such fine and imprisonment. The imposition of one penalty for any violation shall not excuse the violation or permit it to continue; and all persons shall be required to correct or remedy such violations or defects within a reasonable time; and when not otherwise specified, each ten (10) days that prohibited conditions are maintained shall constitute a separate offense.

b. The application of the above penalty shall not be held to prevent the enforced removal of prohibited conditions.

Adopted August 10, 1967
Motion by: Director Steffen
Second by: Director Totten
Ayes: Directors Steffen, Totten, Pennick and Allen
Noes: None
Absent: Director Faulwetter

I, DOROTHY G. PENNICK, being the duly appointed Secretary of the Spring Valley Fire Protection District, DO HEREBY CERTIFY that the above resolution is a full, true, and correct statement of the original resolution as voted upon by the Board of Directors of the Spring Valley Fire Protection District on August 10, 1967.

FAIRFIELD, CALIF. — Airman Second Class Stephen W. Thunberg, son of Mr. and Mrs. Gus Thunberg, of 7426 Ida st., Lemon Grove, has been selected for academic and military training under the U. S. Air Force Airman Education and Commissioning Program.

Airman Thunberg, a nuclear weapons specialist at Travis AFB, Calif., will enter Sacramento State College to study for a bachelor's degree. Following graduation, he will go to Officer Training School (OTS) at Lackland AFB, Tex.

He will be commissioned an Air Force second lieutenant upon completion of OTS which is part of the vast Air Training Command education system.

A graduate of Mount Miguel High School, Spring Valley, Calif., Airman Thunberg received an A. A. degree from Grossmont College, El Cajon.

AIRMAN ESPINOZA

OKINAWA, Ryukyu Isllands — Airman Second Class Enrigue Espinoza, son of Mr. and Mrs. Severo Espinoza Sr., of 3019 Epsilon st., San Diego, has arrived for duty at Kaden AFB, Okinawa.

AIRMAN RUNDELL

Airman First Class Thomas M. Rundell, son of Mr. and Mrs. W. R. (Bob) Rundell, 8533 Gateside, La Mesa, returned home last Thursday to begin a 30-day leave.

The 20-year old Helix High graduate had just been promoted to his new rank prior to completing training for over a year at Edwards Air Force Base, near Bakersfield, Calif. Rundell had received his first training at Chanute Air Force Base, Ill. He has been in the Air Force almost two years.

Following his leave period Rundell will drive to Shaw Air Force Base, South Carolina, for three weeks additional training in his field—Jet Engine Mechanic. He then leaves for his next tour of duty in Thailand.

Mr. and Mrs. Rundell are realtors in the La Mesa area.

MICHAEL HANSEN

RIVERSIDE, Calif. — Michael D. Hansen, son of U.S Navy Chief Warrant Officer and Mrs. Donald A. Hansen of 1645 Cameron dr., Lemon Grove, is participating in a U.S. Air Force Reserve Officers Training Corps (AFROTC) field training encampment at March AFB, Calif.

Hansen, a student at San Diego State College, is one of some 1,400 students in the two-year AFROTC program attending six-week encampment this summer at Air Force installations throughout the country.

Authorized by recent legislation, the two-year program enables highly qualified college students to become Air Force officers in only two years. After completion of the six weeks of field training the students become AFROTC cadets upon return to college in the fall.

During field training the students are given 30 hours classroom instruction and 7 hours of athletics and physical training. They participate in survival training, visits to other Air Force bases, and flights in Air Force aircraft. They also receive special briefings on operations and functions of base activities.

Dear Editor:

During the weekend of August 2 thru 4th I attended the close of the 1967 season of Bobby Sox. It was an honor and a pleasure.

A Bobby Sox is a beautiful young girl between the age 9 and 14 years old — a giggle, a squeal or a loud groan who play softball.

She has a loving parent, willing to give much time and labor to providing the best of facilities needed where the game is to be played.

I am one of the lucky persons who lives across the street from the Bobby Sox field on Bancroft School grounds. I have watched with interest and pride the labors of the parents and friends of Bobby Soxers, build a fenced field, put up lights (games last til 8 p.m.), loud speaker system, concession stand with score keeping booth and inside toilet facilities, as well as constructing Dugouts and Teachers. Saturdays and evenings the sound of hammer and chug, chug of the cement mixer has been the sound of a heart beat of love for children.

It is great to be a part of a community like Spring Valley where the residents care so much about the welfare of its children.

Sincerely,
Rosarie Graham

Dear Editor:

As a long time subscriber to our paper, (even before the Graham's) I am very proud of our local sheet. The kudos and plaques awarded to you were well earned. I am patiently waiting for the day when you utilize the AMF offset press printing system you need so badly.

Your DV column is conservative (to a point), correct and informative. As it must be to all men, a phrase creeps in once in a while, which is alien to your true judgment. Unnoticed by many, but applauded by some, was your critique of today's merchant:

". . . many (merchants) of whom foist shoddy merchandise off on the unwary consumer, all the while advertising it as something exceptional."

This is not true. A few, yes. Many, no. Shoddy merchandise, yes, because many people in our Great Society can afford nothing else. But misrepresentation in selling or advertising is condemned by us and by the Better Business Bureaus which we sponsor.

After more than a decade of years supporting this group (minimum: $50 annual) I sometimes wonder if Betty White and the Consumer's Panel and others appreciate what we try to do.

And, for the record, when did you or Mrs. Goodwin send a check to the BBB to protect your interests?

Graziano's Doc Erred

Former middleweight champ Rocky Graziano reveals in the current issue of SPORT Magazine how his daughter came to be named Roxee, spelled R-O-X-E-E instead of R-O-X-I-E.

"It was the doctor's mistake," says Rocky. "He asked me how to spell it."

Peace Corps Diego Test Saturday

San Diego area residents interested in serving with the Peace Corps in developing nations are invited to take the Peace Corps Placement Test at 1:30 p.m. on Saturday, August 19 at Room 219, P.O. Bldg., 815 "E" st.

The test measures general aptitude and ability to learn a foreign language, not education or achievement. It is given to determine where and how an applicant will be happiest and best utilized overseas. The test requires no preparation and is non-competitive; an applicant can neither pass nor fail. The test takes approximately one hour and a half.

Persons interested in serving with the Peace Corps must fill out an application, if they have not already done so, and present it to the tester before the test. Application forms are available from local post offices or from the Peace Corps in Washington, D.C. 20525.

15,000 Peace Corps Volunteers with widely varying backgrounds are currently serving in 56 developing nations in Asia, Africa, Latin America and the Pacific. They are working with the people of these nations in self help projects ranging from food production and health to education and community action.

Quackery Heavy in County Says Area Cancer Chairman

Warnings of increasing cancer quackery activity affecting San Diego were issued by the American Cancer Society.

John T. P. Cudmore, M.D., Professional Education chairman of the Society's San Diego County Branch, expressed concern over local residents being deceived in recent weeks by propaganda issued on behalf of unorthodox practitioners with unproven claims of cancer "cures.."

"Under freedom-of-speech banners, using freedom-of-choice slogans," he said, "advocates of unorthodox cancer remedies have been making wild claims which could easily lure unsuspecting victims into the quackery mill."

According to Cudmore, although the most notorious cancer quacks have been put out of business in the United States, some worthless treatments continue to be available in Mexico.

Cudmore explained that surgery and radiation still are the only known methods for successfully treating cancer, although some beenficial effects have been obtained in certain cases through use of chemicals or hormones.

"Quacks profit by exploiting fear of surgery or radiation," he said. "They plant in gullible people the idea that they can avoid being 'cut' or 'burned' by putting their faith in some nostrum or gadget for which preposterous promises are made."

Cudmore reported that cancer quackery kills many unsuspecting patients because the time wasted (on phony devices and quack treatment) delays effective treatment until it is too late to save the patient's life.

"The least harmful kind of cancer quackery is the alleged cure of someone who hasn't had cancer at all," he said. "This may not do any medical harm, but it digs deeply into family savings. Cancer quackery still is a multi-million dollar business, and its sales department seems to be more aggressive than most."
